One hundred and skity acres of land, facing the beautiful-Bay of Clenfuegos. Cuba, the most important commercial port in Cuba after Hawana, and without a doubt the best and largest bay in the Island. This property has a water frontage of at least 1,000 yards, and therefore admirably suited for the building of a dry dock, the water being deep all along the entire front, including the very good creek that lays midway of the property at the water being deep all along the entire front. There is also plenty of limestone specially suited for the manufacturing of the finest lime (there is a lime kiln in operation). Also a stone quarry, from which large amount of blocks are quarried every year for building purposes. There is also a large tract of timber land which has never been touched. For full particulars address FRANCISCO CABRERA PEREZ, Zayas No. 4. Santa Clara, Prov. Sta. Clara, Cuba.
